

What are the President's implied powers as Commander-In-Chief?

What power is implied by the President's powers to appoint and receive ambassadors?	
What are executive agreements? How often are they made?	
What are congressional-executive agreements? What is a recent example?	
What are sole-executive agreements? What is a recent example?	
Why do executive agreements arguably undermine the checks and balances?	
How many times has Congress declared war? Why is this surprising?	
Why did Congress pass the War Powers Resolution? What did it do?	
Why did the airstrikes on Libya in 2011 show the resolution's limitations?	
What was the AUMF (2001) and why has it given recent Presidents so much power?
